

Ladies and Gentlemen,

In this sense CIEC would like to express its sincerest thanks for the work which has been done by the Organizing Committee of Adnan Menderes University, represented Prof. Aydeniz, and of Gaziosmanpaşa University, represented by Prof. Brohi. Their great efforts, together with their staff, have initiated CIEC to decide upon a special memorandum, reflecting the most important results of this symposium and suitable for sending to governments of various countries and to the authorities of international organizations. CIEC wants to express its sincerest thanks for the greeting addresses of the President of the Republic of Turkey and the Prime Minister of the Turkish Government, and to all authorities of the regional governments, administrations and universities which have paid attention to this symposium in the one or other way.

CIEC has to thank all participants who presented their papers, and the chairman who guided the various sessions.

Furthermore, our thanks go to all colleagues who participated in the discussions.

And last but not least I would like to thank the whole audience which despite the excellent offers of relaxation facilities in this hotel have attended most sessions, preferring first to work and only then to relax. With the best compliments to all CIEC wishes everybody a happy return to their home countries.

On behalf of CIEC I herewith declare the symposium closed.

Thank you!
